# INNOVATION IS IMAGINING WHAT NO ONE ELSE CAN.

SHARE YOUR PASSION.

Embark on an extraordinary journey with BMW Financial Services Czech Republic as we redefine the future of vehicle sales. This is your chance to be a part of the biggest project in BMW's history - the implementation of a groundbreaking online sales channel that will revolutionize the way customers engage with and purchase their dream cars.

We are seeking a dynamic and visionary IT Delivery Test Support to join our team and play a pivotal role in shaping this transformative initiative.

## **IT Delivery Test Support Internship (m/f/x)**

This is a unique opportunity to collaborate with multinational teams, contribute to the development of cutting-edge technology, and leave a lasting impact on the automotive industry. You will be instrumental in ensuring the successful integration of our online financing solutions, providing customers with a seamless and convenient purchasing experience.

### **Tasks**

- Thoroughly test and validate our new online vehicle sales journey with integrated financing, ensuring a smooth and engaging customer experience.
- Contribute to the seamless integration of new systems and testing of innovative functionalities.
- Test adjustments and integrations within our existing Dealer Front-End system.
- Identify and report any bugs or issues, working closely with the development team to resolve them.
- Participate in daily testing sessions, fostering a dynamic and collaborative environment.
- Support our business analysis efforts and help shape the requirements for this transformative project.
- Contribute your creative ideas and out-of-the-box thinking to shape the future of our platform.
- Participate in the rollout and hypercare activities to ensure a smooth project go-live.

### **Qualifications**

- Currently enrolled in a bachelor's or master's degree program.
- Passion for the automotive industry and a desire to be part of something truly groundbreaking.
- Excellent analytical and problem-solving skills.
- Strong communication and collaboration skills.
- Familiarity with testing methodologies and tools (e.g., JIRA, xray) is preferred but not mandatory.
- Fluency in Czech or Slovak and proficiency in English.
- Willingness to learn and grow within our dynamic organization.

### **Further Information**

Employment Type: Internship, full time.

Duration: 12-15 months.

Earliest starting date: ASAP.

Location: BMW Financial Services Czech Republic s.r.o., Prague.

Are you looking for an exciting challenge? Then join our team. We look forward to receiving your application via **E-recruiter link.**
